### Serving Duties

- Be at the dance hall by 5:45 to help set out chairs, greet guests and collect admission.
- Make coffee and check during the dance to see if more coffee or water is needed.
- Set up a table for snacks before the dance.
- Thank guests for coming.
- All members, if you can, please help clean up.

Thanks to all the board members for their work this past year. Special thanks to Sandy Abney for all the good work she does as club president. And thank you to Stan Burgers for taking the position of Vice President for the coming year.

If you have seen our dance card for 2017 you may have noticed that we are now hosting dances on some Saturday nights as well as on our usual Sunday night dance schedule. The Saturday night dances are indicated with an \* by the date on the dance listings on the newsletter and on the dance cards.

If you have noticed there aren't many dances scheduled in January, you are right! It is because many dancers will be going on a square dance trip that includes cruising around the Hawaiian Islands and many others will have already gone south to somewhere warm.

We currently have a few students taking lessons at the Dell Rapids Senior Center. Chuck Veldhuizen is the instructor for the Thursday night lessons. Lessons will take a break for January and continue in February with a few lessons and a "Blast."

**If you are scheduled to serve:**

Due to the number of extra dances we will be hosting in 2017, as a club member you will be scheduled to serve more often than in the past. Please notice and remember when you are scheduled to serve. Try to arrive early to help set up for the dance.

If you're not sure what to do, please have someone show you sometime before your scheduled date to serve and see the "Serving Duties" sheet.

Also if you are scheduled and can't make it to help set up, or can't make it to the dance, please either find a substitute to come and take your place or let a club board member know in advance.

At the end of the evening, thank people for coming to the dance and, if you can, help clean up. Thanks for being willing to serve when scheduled!

**Treats During the Dances**

Beginning in the new year the club decision has been to have snacks out during our dances rather than afterwards. So when you are serving at a dance a table for snacks needs to be set up before the dance starts.

**Traveling to area clubs:**

It is fun to travel to area clubs for their dances. Other clubs always appreciate having out of town guests come and dance and so do we!

Chuck Veldhuizen had given us the following information on Sioux City dances. The Sioux City Spares & Pairs club will be dancing on the 2nd Saturdays of the month, beginning in February. Their dances are held at 7:30 pm at Augustana Lutheran Church, 6th & Court Street, Sioux City.

The Siouxland Whirlers will be dancing the 3rd Friday of every month. They dance at 7:30 at Sioux City Active Generations, 313 Cook Street.

Worthington Turkey Trotters will not be dancing in January, February or March. Their next dance is the 2nd Saturday in April (April 8) with Dan Sahlstrom (from Minneapolis) calling.
